

ICARUS

Omni

NOTHING ELSE BUT FUN

The ultimate 7-cell tapered canopy. This all purpose canopy offers soft on-heading openings, predictable flight characteristics, light toggle and riser pressure, and greater flare than any other 7-cell design. The OMNI is ideal for intermediate and/or experienced skydivers, usable for all facets of modern skydiving.

Recommended Wing Loading: 0.75 - 1.4 PSF

Custom sizes available at no extra cost.
