

# ICARUS **Safire 2**

## THE GREATEST ALL-ROUND CANOPY

Our most versatile ZP 9-Cell wing offering superior opening characteristics, exceptional glide, outstanding slow flight stability, and a powerful flare. Whether you are fresh off student status or a veteran skydiver, the Safire 2 has something to offer any skill level. This wing will satisfy the skydiver looking for a lightly elliptical modern flavour.

Recommended Wing Loading: 0.75 - 1.4 PSF  
Custom sizes available at no extra cost.
