

Karl Goorts
Leemveldstraat 42
3090 Overijes
Belgium

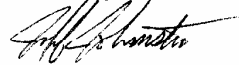

Dear Karl,

September 29, 2006,

We have reviewed the Argus AAD and have determined that it will physically fit in our Mirage Harness and Container System and are unable to find any incompatibilities to the functionality of our system.

We now approve the installation and use of the Argus AAD in Mirage Harness and Container Systems when assembled and maintained in accordance with the Argus owners Manual.

Sincerely,

Jeff Johnston
Quality Control Manager
